Chicago, Illinois 60604

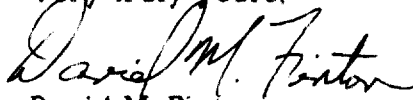

RE: SHS-11

Dear Mr. Warning:

I am very surprised to find that we are not in agreement in terms of my present liability with regards to the Order that is currently pending.

I need time to seek counsel prior to my next response. I hereby request an extension of 30 days beyond the November 10, 1989 deadline.

Very truly yours,

  
David M. Finton
